Notes:

- 1. This form should be used by all landfill owners/operators operating in Los Angeles County.
- 2. No later than two and a half months after the end of each calendar quarter, the landfill owner/operator shall complete this form for each month in the quarter and forward them to the Los Angeles County Department of Public Works, Environmental Programs Division, PO Box 1460, Alhambra, CA 91802-1460. 1-800-320-1771
- 3. A copy of this form and all data used to complete this form must be retained by the landfill owner/operator for a period of three years and must be made available for review upon request during business hours.
- * "Disaster" means waste generated from a natural catastrophe such as an earthquake, fire, flood, landslide, or volcanic eruption, or, regardless or cause, any explosion, fire, or flood [Section 17210.1(c) in Title 14 of California Code of Regulations].
- ** "Designated" means non-hazardous waste that consists of, or contains, pollutants that, under ambient environmental conditions at a waste management unit, could be released in concentrations exceeding applicable water quality objectives or that could reasonably be expected to affect beneficial uses of the waters of the state as contained in the appropriate state water quality control plan [Section 13173 of California Water Code].
